If you manage a business, you have to make tough decisions and take overall responsibility for your successes and your mistakes. Directors & Officers Insurance is there to protect you if your mistakes have an adverse effect on employees and stakeholders, or if legal action is brought against you.

Directors & Officers Insurance

Directors, officers and trustees of a company do not have limited liability and if something goes wrong and a claim is made against them, their personal assets can be at stake.

If you manage a business, Directors & Officers Insurance allows you to insure yourself so you and your business are protected if you face claims from employees, shareholders, customers, regulatory bodies or anyone else who feels they need to take legal action against you. At James & Lindsay, we can help support you by arranging a Directors & Officers Insurance policy to suit you, with cover against a wide variety of claims.

Available covers include:

- Negligence
- Breach of trust
- Breach of duty
- Wrongful dismissal
- Discrimination
- Wrongful trading
- Default

To arrange your Directors & Officers Insurance cover, simply get in touch with James & Lindsay today.
