Keeping your fleet of vehicles insured doesn't need to be complicated. At James & Lindsay, we can arrange Motor Fleet Insurance for fleets of all shapes and sizes. With all your vehicles and drivers insured under one convenient policy, we could save you time, stress and money.

Motor Fleet Insurance

If your business has a fleet of more than three vehicles, we'll put our expertise to good use by comparing commercial Motor Fleet Insurance deals for you. Whether your business needs mini-fleet insurance, fleet insurance or even bespoke cover for a range of differing vehicles, we'll work with you to find the right cover.

We'll get to know your business to ensure that your policy correctly covers your vehicles and drivers as they perform their work. Cover can be arranged for small fleets of a single vehicle type or for businesses with a diverse range of vehicles in their fleet including cars, vans, lorries, HGVs, tractors and forklift trucks.

Available covers include:

- Unlimited liability against third party death or injury
- Legal Fees Cover and Uninsured Loss Recovery
- Cover for foreign travel
- Full windscreen cover
- Access to network of approved UK repairers

With the right Motor Fleet Insurance in place, your business will be able to take most of the risks of the road in its stride, allowing you drive to further success.
